

STATEMENT OF OPPOSITION TO  
BLAINE COUNTY/SHOSHONE BLM DISTRICT OFFICE  
REGARDING THE BLM RECREATION TRAVEL PLAN

To whom it may concern:

Back Country Horsemen of Idaho (BCHI) a service organization that is 15 chapters strong with 824 members statewide, wish to go on record as opposing your proposal to divide Blaine County into separate areas assigned by use type. (hiker, bicycle, OHV/motorized, equestrians)

BCHI would however support a division of trails from motorized to non-motorized, and even support specific use trails on a case by case basis.
