Dear Mr. Clifford:

The Squaw Butte Chapter of the Back Country Horsemen of Idaho supports your grant to increase your presence within your district boundaries to make sure that the trails remain open and in good condition for all recreational users.

We have reviewed your plan and support your multi faceted approach to educate users with development of website Motorized Vehicle Use Map, well posted signage illustrating trail usage, and an increased visible presence on the trails. The Squaw Butte Chapter supports the USFS Emmett Ranger District's goal to create a sustainable environment allowing for both non-motorized and motorized recreational opportunities.

Thank you for the opportunity to review the plan and offer our support.

Sincerely

Marybeth Conger  
President, Squaw Butte Back Country Horsemen
