Treasurer, Bill C. presented treasurer's report and to include bank balance. Motion to approve the Treasurer report was made by Robbin S and seconded by Phil R. Bill also reported that as long as SBBCH maintains a 1K balance in the Bank of Cascades account, SBBCH can receive paper statements for no additional costs. Bill also signed and returned a letter to State Farm confirming that our account with them, is still active.

No Education committee report as Chicks out of town. Rob A. presented report covering rides and projects. Check out the SBBCH activity page and/ or blog on our website for more details. Phil R, BCHI Public lands gave an update on current projects. State Directors Robbin S and Phil R brought forward the proposed BCHI resolution. After much discussion, the chapter instructed the directors to not support the proposed BCHI resolution as it appears redundant. The BCHI Bylaws already grant the Chairman the ability to call special meetings as necessary.

No unfinished business was brought forward. Nomination committee will be Linda H., Chris H., and Shannon S. Kay will follow up with these committee members. Members reviewed current inventory of certified hay. Should be fine for rest of the year. Rob A brought forward the importance of checking trailers for safety.

Kay presented information regarding Boise Stage stop Western Days. Chicks are having play days Sept 20 and October 5.

After door prizes distributed, the meeting was adjourned at 7:55 PM.
