## **PRESIDENT'S CORNER**

### **HAPPY NEW YEAR TO ALL**

Hope all had a happy, safe, and fun Holiday Season, as for ours, all the kids and grandkids were here except one who was here at Thanksgiving, so our holiday season was pretty great.

Running, yelling grandkids, broken glass, yapping dogs more food than anyone should ever try to intake, and 24/7 football. Wouldn't have missed it for anything. Besides BSU and Notre Dame get to go home winners. It's a wonderful life!

The Christmas party was a blast and I want to extend a huge thanks to our hosts Kay and Phil Ryan. Great fun was had by all.

As the new year comes upon us there is lots to plan, lots to do, and fun to be had. With the new year comes a new need for volunteers.

For those who have helped in the past, we thank you. For those who would like to volunteer, all volunteers are greatly welcome. Members are the key to any organization, besides you get to have fun with some of the best people in Idaho. So if you have never been on a committee please consider to do so, there are lots of shoes to fill.

In closing, I hope to see you out there, and if fuel prices stay down I also intend to be there more with you.

Be safe and have fun.

Bill Holt - President
