

Squaw Butte Backcountry Horseman November 3, 2016 meeting notes

Respectfully submitted by Marybeth Conger, pro tem note taker

There was not a quorum of SBBCH members, so no official business could be conducted at this “non” meeting. Still, it was a fun and interesting gathering for those of that were there.

Shelly led our discussion and did a fabulous job keeping things on track.

The discussion began at 7:00 PM.

- We met a potential new member who plans to attend s our End of Season Christmas party and join us in January. Her name was not documented.
- We discussed the 2017 calendar and photos. SBBCH was again well represented.
- There was mention of the Payette National Forrest and McCall Sawyer Clinic. Rob will be traveling several months next year so we all need to step up and help with activities.
- An idea was brought forward to use funds for a scholarship to help us market and grow.
- Our Yard sale was fun and successful. Best to have this a bit earlier in the year.
- There was a flyer handed out and a signup sheet for the End of Year of Season Party. This sounds like it will be another fun and yummy event so we can celebrate the season and the amazing year we have had. Marybeth did point out that King will not be taking RSVP's this year as he will be traveling in New Hampshire. So, please check out the website for more details, directions, how to RSVP, what to bring etc. If any questions, contact Shannon or Nancy and their contact info should be on our website.
- MB finally got one of the delicious door prizes. It was about time!

The discussion ended at 7:40 PM.

Hope to see you on the trail, one of these days. What a great year 2016 has been for our little old chapter.

Marybeth Conger
