

THE BCHI STATEWIDE CHALLENGE

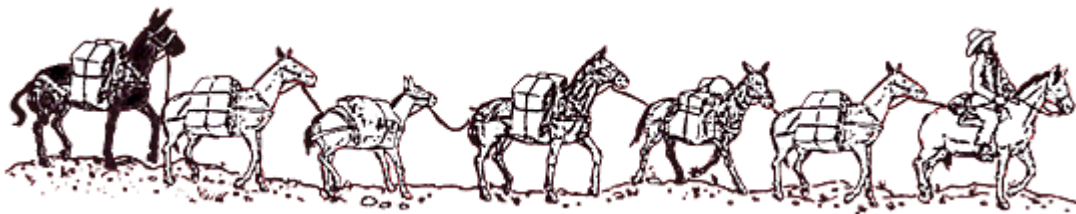

“Squaw Butte Chapter President Ron Fergie presents \$500.00 check to the BCHI Foundation President Bill Holt” says BCHI’s Roving Reporter

The Back Country Horsemen of Idaho (BCHI) Foundation fund is still low on resources needed to fund BCHI chapter projects and activities. Since all BCHI chapters benefit from the BCHI Foundation being a viable entity, the Squaw Butte Back Country Horseman Chapter (SBBCH) would like to challenge all BCHI Chapters to donate to the BCHI Foundation Fund.

The purpose of this fun challenge is to encourage chapters to participate in assisting the BCHI Foundation, which can be used for grants for training, projects, or the purchase of other related equipment. SBBCH has donated \$500.00 from our profits from the calendar sales.

Some possible money-making ideas or projects could be: donate chapter proceeds from calendar sales, yard sales, ask for donations at pack clinics or other educational presentations, charge for advertising at events or on chapter web site, or any other idea that can create the needed funds. Help us help our own organization continue to fulfill our mission. Which BCHI chapter will be next to accept the challenge?
