Committee Reports

- Standing committees

Education — **Charles and Lorraine Chick**

The Sawyer classroom part workshop was held on May 30, 2020. Members Tom & Linda Hughes, Lisa Griffith and Shelly Duff were joined by USFS BNF recreation supervisor Brian Eversole and Intern Kayla Urbanowski. Instructors Charles Chick and Rob Adams lead the workshop. The field day part of the workshop will be held for the USFS later in June in Lowman. Field days will be completed as part of trail projects for chapter members. Pictures of the workshop are posted on the chapter website.

Project & Rides Coordinator/Committee — **Rob,**

The Peace Creek project, which was schedule for June 6, has been rescheduled for June 13 due to the expected bad weather (wind, rain and snow) forecasted for the weekend of June 6th. The Hitt mountain project is still schedule for Saturday June 20, 2020. The Horse Camping weekend schedule for July 3-5, 2020 has been cancelled for this year.

- Special Committees
- **State Directors/National Director** — **Phil/Lynn/Dave**
  - *No report*

Sawyer Certification Program — Rob Adams

No additional information

Public Lands — **Phil**

Phil attended a virtual meeting of the Idaho Sportsmen Alliance on May 3rd, the main topic was E-bikes on public lands. Phil for (BCHI) will be working with the Wilderness Society on drafting a position letter.

Foundation **Bill H**

Bill discussed the ongoing fund-raising effort via Amazon Smiles

Unfinished Business **Bill H**

Discuss further meetings with restrictions

The group talked about the success of using Zoom for chapter meeting and came to the basic conclusion it was not a great success for Squaw Butte. With the state of Idaho now in phase 3, the group discussed other approaches and voted to move the monthly chapter meeting to Wild Rose Park, below Black Canyon dam for the July 2nd and August 6th meeting. Members are encouraged to bring chairs and coolers and join us in the shade.

New Business **Kay/Rob**

Kay: *Squaw Butte will be hosting the BCHI state board meeting in September 2020. The suggested venue is the same one that was going to host the May meeting in Caldwell, ID. A committee needs to be formed to plan the hosting of this meeting.*

Rob*: Lou Ann Gaskell was contracted to build an updated website for BCHI. She has almost completed the work and gave me a sneak-peek. It is a very profession job and I feel the BCHI chapters and members will be very excited about their state web site.*

Rob: *Joe Williams is working on some Wilderness trails in the Frank Church in the month of June in the Dagger Fall and Snowshoe Cabin areas. The projects are being sponsored by the Salmon-Challis NF. Bryan Parker is the Trail manager that Joe is working with. Joe could use some help if you are interested is spending some time running a cross cut saw.*

. **Adjournment** **Meeting** completed at 19:30
