Inventory and auditing to be done by Lynn and Peggy along with Bill.*

Pack clinic may be replaced by a camping clinic this year. Also suggested were a trailer clinic, desensitizing and defensive horse training. Lisa is in charge of planning it.

Christmas party may be replaced by end-of-the-year party in November. Possibly at the hot springs.

Discussion of education topics for general meetings. Knot tying is good, maybe alternate with description of board positions so that new members can get involved in leadership. It was recommended that people be directed to check out the website more, as it contains a wealth of information.
