Estimated expenses: \$13,951. Actual expenses: \$9,536

The year of Covid and cancelled events

2021 tentative budget completed to propose to chapter membership.

Membership

Discussed getting involved with 4H to try and attract younger membership.

Playdays, camps, demos for either Scouts or 4H

Hunting non-profits might be another source of membership.

VP and Treasurer make up the membership committee. Recommendation that they recruit a couple more people, including the Waugh's, to work on recruitment.

FB page should be more current, with pictures and stories from rides or workbees. There are actually 2 FB pages; one has pictures from last summer's trips and the other has nothing relevant. If we make the page public then members can add pictures and stories.

Training

Continue to have short educational tips at meetings when they resume.

Possibly set up trailer rodeo @ Expo grounds? In conjunction with the IHC.

Camping clinic

1st aid: rather than doing class with Bogus Basin this year, Scott Morgan (SB) and Cheryl Bice (TV) have offered to do the 1st aid class on April 3, 2021.

Sawyer classes; 2 days, Classroom part May 8, 2021. Field Days TBD.

Website

Rob keeps a lot of info on there and keeps it current. Re-sharing new and older articles from the blog to FB might garner more traffic.
