## Leadership Team Meeting Minutes January 16, 2022

SBBCH Meeting January 16, 2022

Attending: Bart Baer, Charles & Lorraine Chick, Dan & Marjaliisa Waugh, Heather Donesky, Lisa Griffith, Lynn Garner, Rob Adams, Shannon Schantz, Tracy Zamzow

Meeting commenced at 10:15

Shannon presented a spreadsheet that showed actual budget expenses for 2018 to 2021 and estimated expenses for those same years. The group discussed the various line items and agreed on estimated income and expenses for 2022. This budget will be presented to the chapter for a vote at the February 3<sup>rd</sup> meeting.

Lisa & Dan lead a discussion on planned spring fun rides, educational events and trail maintenance and packing support projects that other volunteer trail organizations have requested the chapters assistance. Many, but not all these items have been entered into the website activities page and the scheduling systems calendar. As they are firmed up, updates will be entered.

BCHI directors meeting and convention: Lorraine Chick lead a discussion on the convention chapter display and some ideas will be presented at the February meeting.

Sportsman Show and Horse Expo: The booths at both events were discussed and handouts for the events will be designed and copies will be made. A sign-up sheet will be available at the February meeting and shared with the other local chapters.

The group discussed upcoming project weekends and the fact that on some weekends the chapter will have two teams working in the field at different locations.

For example, we will have a trail crew working on trails maintenance in the Boise national forest, while another team will be providing pack support in the Sawtooth wilderness. To this end, we need to have two well equipped first aid kits and it was suggested that a second AED be considered for purchase.

Meeting concluded at 13:30
