Projects and events planned & completed: (see activities page for upcoming)

- Dan reported on the Pack support trips completed in July. Due to lack of chapter membership support he went to Facebook for help on one of the trips and a member from a different chapter stepped up.
- See pictures and text on both Dan & Lisa pack support and trail maintenance project on the chapter website.
- Consider helping with a future pack support project even if you don't have pack stock, we need extra hands and eyes on these projects.

BCHI Calendars: Calendars will be available after the September directors meeting. Members are expected to take at least two, one for themselves and one to sell. This is the state organizations only fund raiser and also make the chapter some money. The 2022/2023 calendar committee is Scott Morgan, Fanny Burki and Phil Ryan.

Foundation: Bill Holt will be retiring from the BCHI Foundation at the end of 2022, if you are interested in working with this important co-organization, contact Bill and he will fill you in on the details.

State and National Directors: nothing to report

LNT: nothing in the meeting notes

New Business: Reimbursement for fuel expenses on pack support and trail projects continues to be discussed. There is concern in the leadership team that high fuel prices are keeping members from attending chapter projects and maybe we need to consider ways to help defray mileage costs.

Raffle and 50/50. ?
