

Announcing a public open house.... TRAILS PLANNING PROJECT UPDATE for Harriman State Park & Wildlife Refuge

The Friends of Harriman State Park is hosting two open houses on November 10 to share research results on existing trail conditions and trail user perspectives. CRO Planning & Design Staff will present its findings and observations that will shape a new management plan for the Harriman Trail System.

Project cooperators include: Idaho Department of Parks and Recreation, Idaho Department of Fish & Game, Caribou-Targhee National Forest, Friends of Harriman State Park, Inc.

Please join us at either open house on November 10th or review the Existing Conditions Assessment Online Open House materials (see QR Code/link). Comments are welcome through December 1st.

Recommended design and management improvements to the Harriman Trail System will be shared with the public early in 2026.
